

An E Clampus Vitus Hoax Goes Awry: Sir Francis Drakes 1579 Plate of Brasse by Dr. Robert J. Chandler XNGH

An E CLAMPUS VITUS
HOAX GOES AWRY:

Sir Francis Drake's
1579 Plate of Brasse

Now it can be told!

This is a new book about one of the best, most convoluted clamper hoaxes ever perpetrated on mankind! This book sheds light on the Drake's Plate of Brasse hoax in a now-it-can-be-told story researched by some of the greatest scholars of our time.

100% of the proceeds of the sale of this book goes to the preservation of the Wall of Comparative Ovaries in Murphys, thanks to a generous donation from:
